**C. PUBLIC HEARING – 2013-14 BUDGET**

**C-1: General Public Comments**

Mrs. Mary Pruitt asked to know when the 2013-14 budget was due to be passed; whether the village was in violation with State law with the delay in passing the budget, and if there would be penalties for taxpayers.

Attorney Diamond responded to Mrs. Pruitt commenting that the budget should be passed prior to the beginning of the new fiscal year; However, that has not happened, and he noted that last year the Board used its Home Rule powers to extend the time frame. He would recommend that the Board consider adopting an Appropriation Ordinance, to hopefully prevent this issue in the future. He also commented that this delay should not cause any penalties for taxpayers.

A question was raised relating to the amount of funds expended for attorney fees for the firm of Ancel Glink and other attorneys.

Manager Linear responded that the estimate is approximately \$110,000.00. However, some of those fees can be charged to TIF or Special Funds.

Trustee Payton stated that he wants to see total fees for attorney fees on a spread sheet.

Manager Linear responded that he would get it done.

There were no further comments from the public.
