

This is a message from Aqua Illinois for customers in the Village of University Park.

Aqua will begin its flushing and maintenance program of the water distribution system on Monday November 13th in the Village of University Park. An Aqua technician will be operating fire hydrants to flush the water distribution system between the hours of 6:00 am to 6:00 pm. During flushing, residents may experience decreased water pressure or discolored water.

We expect flushing to be completed by Friday, November 17.

Thank you for your cooperation as Aqua performs this necessary maintenance to the water system.

If you have any questions or concerns, please call customer service at 877.987.2782.
