

PUBLIC NOTICE

The Village of University Park, Illinois is requesting statements of qualification from IDOT prequalified engineering firms for Phase II (Plans, Specifications and Estimate) and Phase III (Construction Engineering Services) for the University Parkway Proposed Bike Path Installation from Steger-Monee Road to Western Avenue. Consultants should demonstrate the following:

1. Phase II (Plans Specifications & Estimates) & Phase III (Construction Engineering) prior experience with recently completed Federally Funded Bike Path Installations on State Routes
2. Familiarity with FHWA funding requirements

Due date for submittal of qualifications is 3:00 PM January 30, 2018, delivered to the Village Clerk's Office, Ms. Dorothy "Dee" Jones, 698 Burnham Avenue, University Park, Illinois 60484, c/o Mr. John Pate, Village Manager.
