

The Calumet Green Manufacturing Partnership (CGMP) is a workforce development project for the Southland region of Chicago. Unemployed residents can apply for this free continuing education program. They will acquire manufacturing skills with MSSC and NIMS credentials at 3 local community colleges close to them. CGMP training programs include foundational manufacturing skills, computerized machine tool operation and programming (CNC machine technology). Manufacturers can hire CGMP students, and enroll in CGMP some of their employees at a reduced cost. For enrollment call (708) 339 - 8173. For manufacturers to schedule an appointment call (312) 236 - 5555. Visit also our website at [www.CGMP4U.org](http://www.CGMP4U.org).”
