

PUBLIC NOTICE

The Village of University Park, Illinois is requesting statements of qualification from IDOT prequalified engineering firms for Phase III (Construction Engineering Services) for the University Parkway Roadway Resurfacing from Steger-Monee Road to Western Avenue. Consultants should demonstrate the following:

1. Phase III (Construction Engineering) prior experience with recently completed Federally Funded Roadway Resurfacing Improvements on State or Local Routes
2. Familiarity with FHWA funding requirements

Due date for submittal of qualifications is 3:00 PM Friday December 14, 2018, delivered to the Village Manager, Mr. John Pate at 698 Burnham Avenue, University Park, Illinois 60484.
