He also voiced his pleasure to have the opportunity to demonstrate efficient fiscal management by presenting a balanced budget within the time constraints imposed by the State of Illinois, and that he continues to work to refine the summer hiring process and that he conducted numerous interviews along with the Parks & Recreation Director.

Trustee Griffin attempted to ask questions of the Manager, but was informed by Mayor Covington that this portion of the agenda is Non-Discussion. Therefore discussion or questions would not be allowed.

She offered condolences to the Vercher family in the loss of their son, and all families who had experienced loss of loved ones.
