E. REPORTS OF ELECTED & APPOINTED OFFICIALS

E-1: Village Manager’s Report

None.

E-2: Mayor’s Report

Mayor Covington read the following Veto Messages on Ordinance No. 02013-3 and Ordinance No. 02013-04

At the February 12, 2013 meeting of the Village Board of the Village of University Park, two ordinances were passed relating to leases in the University Park Town Center. One ordinance, No. 02013-3 is an Ordinance terminating the lease of spaces No.22 and 26. The second Ordinance, No. 2013-04 is an ordinance, terminating the lease of Space No. 82. By this letter, I do hereby veto both ordinances.

The reason for my veto is that the Village Board did not engage in any reasonable negotiations with the tenants at these facilities or offer them reasonable terms and conditions to remain in their facilities. PK’s Restaurant and banquet Hall and PK’s Christian Learning site are both facilities which provide excellent services to the citizens of our community. We should make every reasonable effort to retain tenants and we cannot blame these tenants for acting upon directions that they received from previous village administration. Once fair leases have been entered into, with a reasonable period to repay back rent not forgivable by improvements, I would favor eviction actions for non-payment or other breaches of the leases. Simply kicking active businesses out of the Town center is not in the best interests of this community.

Veto Message Ordinance No.02013-05 – An Ordinance amending chapter 818, coin-operated amusement devices

On February 12, 2013, the University Park village Board passed ordinance No. 2013-05, An Ordinance amending chapter 818, Coin –Operated amusement devices. I have chosen to veto that ordinance. The reason for the veto is that this is an ordinance which amends various sections of the Village Code and the full text of the ordinance was present to the Village Board only at the Board meeting. Sometimes, ordinances which have been previously discussed can be presented to the Board in this manner, although it would be best to allow the Board members to review the ordinance for an additional period of time. This ordinance in particular is a technical one and I believe that the Village Board deserves the opportunity to study the ordinance with more care before voting upon it.
Motion To Re-schedule Regular Meeting of March 12, 2013:

Trustee Oscar Brown moved, Trustee Roduez seconded a motion that the Board approves to reschedule the regular Board meeting scheduled for March 12, 2013 to March 5, 2013.

Trustee Oscar Brown asked that Attorney Diamond explain the veto process and the five day requirement.

Attorney Diamond responded that the Mayor of any community has the right to veto any ordinance. The Mayor has five days or until the next regular/special scheduled meeting after an ordinance is passed to decide upon the decision to veto an ordinance. The law then provides that the Board members at the next scheduled meeting has the right take action upon the Mayor’s veto and decide on weather to accept the Mayor’s veto or override the Mayor’s Veto. Attorney Diamond explained the parliamentary procedures of the motion to reconsider.

Treasurer Dilworth noted that while signing checks for the village of University Park, he noticed that there were some credits and overpayment he noticed on some of the utility bills, Treasurer Dilworth noted that he feels that the treasurer should be a permanent check signor.
